Women Empowerment Cell

Women Empowerment cell is active in the college since 2005 to empower girl students, to enhance understanding of issues related to women and to make the college campus a safe place for women students and faculty members. With a view to taking up

women's issues and problems, the cell aims at creating awareness of their rights and duties. It also provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to improve and empower themselves. Aiming at intellectual and social upliftment of the female students, the cell stands for facilitating women's empowerment through guest lectures, seminars, awareness programmes and other welfare activities. The responsibilities of the Women Empowerment Cell is to follow the Mandatory Guide lines and directions of the Anna University, Chennai, regarding the security arrangements for Girl Students and Women staff of our Institution

Objectives

- To promote a culture of respect and equality for female gender.
- To conduct seminar, workshop to impart knowledge of opportunities and tools available and train the women.
- To create a conducive counseling environment for female gender to share their problems.

Initiatives

- Educating the teaching and non-teaching staffs and students towards gender sensitization.
- Counseling services.
- Provision of opportunities and programs for female gender to be mentally and emotionally empowered so as to promote their growth as individuals in their own right.
- Conducting various competitions to encourage their artistic talents for creative thinking
- Gender Audit

Instruction to the Girl Students

- Proper dress code should be followed. Body fit clothing, transparent or revealing outfits should be avoided. Salwar kameez with duppatta is advisable for girls.

- Sharing of mobile phone numbers with the unknown persons should be avoided.
- Harassment of any nature should be reported to the higher authorities for redressal.
- The 24 hour helpline desk made available for teaching and non-teaching staffs and students can be utilized for reporting any untoward incidents which cause physical / mental anguish.

10. 20 BEST PRACTICES ADOPTED, IF ANY

Best Practices Adopted

1. Admission: The first come first serve model of the institution provides equal opportunity for students on vacant seats irrespective of their caste, religion, gender and academic performance.

2. Fees: Admission to backward students on subsidized fee lower than University approved fee in selected courses helps the students from backward community to access their education.

3. Attendance: The Save a Year programme of the institute enables students with marginal attendance shortage to make up for the requirement by attending additional classes to avoid losing a year.

4. Performance: The College conducts mentorship programmes to support students, faculty serve as mentors

5. Employability: A variety of certification programmes customized to suit the needs and requirements of Students Bridge the gap in curriculum based learning.

6. Improving proficiency: Group/team projects for the students particularly in Engineering increases their proficiency in developing various projects.

7. Student Involvement: Student developed software is used for computerization of college library and related information system.

8. Collective Learning Subscription: Reading of business newspapers and regular weekly news review in groups encourages collective learning

9. Learning: Teaching Plan and study materials are prepared according to the syllabus with chapter end assignments in all courses and subjects.

10. Value addition: Apart from imparting learning through University curriculum, workshops, conferences, seminars, symposia etc. are conducted to provide value addition.

11. Extended facility Library and computer facility are kept open for extended hours till late evenings.

12. Feedback: Student feedback is treated as a valuable output and is collected through feedback form, suggestion box, open door policy etc.

13. Coaching: In addition to regular internal examinations, a preparatory examination is conducted including entire portions in the syllabus with duration and question pattern exactly similar to the University examinations to give simulation experience.
